Cinnamon fern	<i>Osmunda cinnamomea</i>	2-4'	deciduous	part to full shade
Ostrich fern	<i>Matteuccia struthiopteris</i>	3-4'	deciduous	part to full shade
Royal fern	<i>Osmunda regalis</i>	3-4'	deciduous	part to full shade
Sensitive fern	<i>Onoclea sensibilis</i>	1-3'	deciduous	part to full shade

Native Plants - Nature's Choice

Native plants are part of our rich natural heritage. These special plants are adapted to our local conditions, require less maintenance in the landscape and offer food sources for native wildlife. Native plants play a vital role in creating healthy ecosystems that can support a rich diversity of birds, insects, and other animals. Plant native!
